HOW IT WORKS

AND HOW TO REDEEM

The Vacation SafeGuard Loyalty Cash Back Program builds even more value into your vacation membership by using an insured structured finance vehicle that provides a pre-determined value after a pre-determined length of time, without the risk of market fluctuation.

SECURE & GUARANTEED

The Vacation SafeGuard Program Fee, which is a portion of the total cost of your vacation club membership is placed into a Trust Account at Bank of Montreal and managed by an experienced trustee.

This fee grows over the duration of the program term in accordance with a growth strategy that is approved and protected by an insurer, guaranteeing all qualifying payouts when due.

ANNUAL REDEMPTION OPTIONS

Just by staying loyal to your vacation club in accordance with the terms and conditions for the full duration of our program term, you will be awarded 100% of the vacation membership purchase in cash. Alternatively, you have the flexibility to redeem your annually awarded Loyalty Cash Back Credits at any time towards an available upgrade with your vacation club, and during the second half of the Program Term you can also choose to simply cash out.

HOW TO REDEEM

If you are redeeming against a membership upgrade, your vacation club will take care of the paperwork for you. If you are redeeming for cash, you can request this directly from Vacation SafeGuard through your Member Center using a simple form detailing where you would like to have the funds deposited. Any redemption will signify the end of your loyalty program.

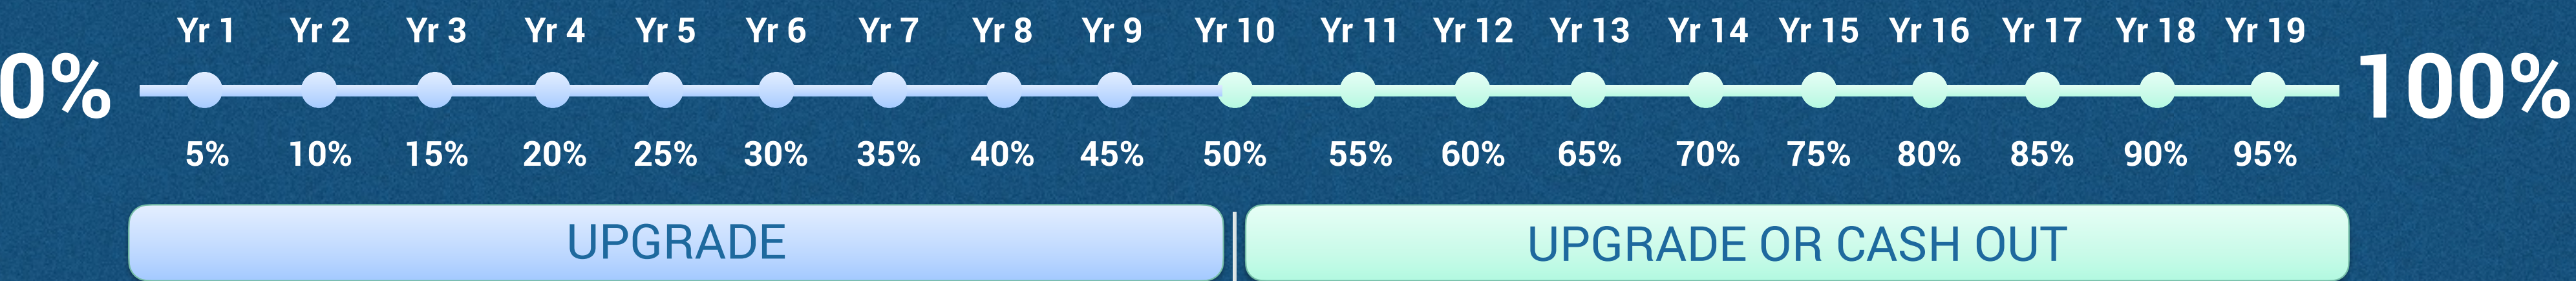

REDEMPTION OPTIONS

SIMPLE & FLEXIBLE

Vacation SafeGuard provides a flexible program that gives you annual redemption options.

20-YEAR LOYALTY PROGRAM EXAMPLE WITH ANNUAL REDEMPTION OPTIONS

The longer you remain a member the more Loyalty Cash Back Credits you are allocated which can be redeemed as above.

Subject to terms of membership, you may redeem your total loyalty credits towards any upgrade offered by your vacation club at any time during the Program Term when re-enrolled into a new loyalty program with the new purchase. Additionally, during the second half of the term you may choose a cash out option. Any redemption marks the end of that loyalty program.
